

ORGANIZING COMMITTEE
of the 10th International Scientific-practical conference
EXPERIENCE IN MANUFACTURING AND USING
CELLULAR AUTOCLAVE-HARDENED CONCRETE

May 29–31, 2018

With the assistance of the Ministry of Architecture and Construction of the Republic of Belarus, the Union of Constructors, State-owned enterprise “Institut NIISM”, Republican Unitary Enterprise “Institute of Housing – NIPTIS named after S.S. Ataev”, Republican unitary enterprise “Institut BelNIIS” the design organization “TNKA-Architec” (Belarus) holds the 10th Anniversary International Scientific-practical conference “Experience in manufacturing and using cellular autoclave-hardened concrete” in Minsk and Mogiliev.

The topics of speaker papers, reports and discussions

- The trends and peculiarities of the retrofit and modernization of enterprises producing autoclave cellular concrete with the introduction of efficient equipment and technologies.
- The provision of the high quality and optimal parameters of cellular concrete products in the process of manufacturing, transportation, using and operation of finished buildings and facilities.
- The optimization of manufacturing, import phase-out, the improvement of operating characteristics in order to support the competitiveness of the material in the market.
- Experience in manufacturing and using structural and heat insulating elements made of cellular concrete of reduced consistency.
- Experience in engineering and constructing of energy-efficient residential houses with the complex use of cellular concrete.
- The use of reinforced and enlarged cellular concrete products for dry construction.
- Progressive constructing systems.

THE FORMAT OF THE CONFERENCE INCLUDES:

MAY 29 – a plenary meeting,
MAY 30 – a visit to ZAO “Mogilievskiy KSI”,
MAY 31 – workshops.

We invite everybody who has elaborations and is ready to share experience in above cited topics, to present speaker papers, reports or give presentations.

If you wish to have them included in the conference information package, you should submit them before April 10, 2018.

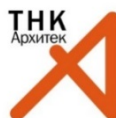

For more information about the conditions of participation and the plan of the conference see the sites of the organizers:
